(3) If Company is satisfied with the testing, Company will notify Seller in writing that it accepts Goods. Seller accepts that the sum of liquidated damages represents Company's genuine pre-estimate of the Loss likely to be suffered by Company because of the delay by Seller and that the liquidated damages are not a penalty.

(2) Liquidated damages will be paid at the rate set out in the PO for each Day of such delay until and including the date Services have reached the stage of Completion or Goods have been Delivered (as applicable) in accordance with this Agreement. The total sum of liquidated damages payable by Seller to Company will not exceed the amount set out in the PO.

Each invoice must include the PO number and must be forwarded together with full original documentary evidence. All invoices will be in such detail as may be requested by Company.

(3) All invoices validly submitted will be paid at the Time for Payment; however, if Company has a bona fide dispute in relation to any invoice, it will pay the undisputed amount and then the balance (if any) after agreement with Seller or after dispute resolution proceedings have been finalized, whichever occurs first. As a condition precedent to any obligation on Company to pay any portion of the Price, Seller must have fully performed its obligations under this Agreement relating to such portion of the Price, including completion of Services by the Completion Date(s) and/or Delivery of Goods by the Delivery Date(s). Payment of any invoice does not prejudice the right of Company to claim reimbursement of any Price if any of Services or Goods are found to be defective or otherwise not in compliance with this Agreement.

C. Retentions and Security.

(1) If stated in the PO, Company may retain moneys from payments to Seller up to the amounts specified in the PO. Such retentions will be released and returned to Seller thirty (30) Days after Services have been completed and/or Goods have been Delivered to Company's satisfaction.

(2) Company may request alternative security such as bank guarantees, letters of credit and/or parent company guarantees in lieu of retentions and Seller will comply with such request to Company's satisfaction. In such case, as a condition precedent to any obligation on Company to pay the Price, Seller must have provided the bank guarantee, letter of credit and/or parent company guarantee to Company.

D. Taxes and Currency of Payments. Unless specifically stated in this Agreement, the Price is inclusive of all taxes of any kind, expenses and disbursements and all payments will be made in the currency indicated in the PO.

A. Right to Vary. Company may at any time, upon five (5) Days' written notice to Seller, increase, omit, decrease, modify or revise in any respect Services and/or the quantity or nature of Goods, provided the relevant Goods have not been dispatched by Seller for Delivery. If Company omits any part of Services and/or Goods, it may engage another seller to perform such omitted Services or to provide such omitted Goods and the Price will be reduced accordingly.

B. Adjustments to the Price. Any changes in Services or the quantities or nature of Goods will be calculated in accordance with the rates stated in the applicable PO; however, where no rates are specified, Company and Seller will in good faith negotiate and attempt to reach agreement on an equitable increase or reduction to the Price based on rates or other methods determined by the Parties. If no agreement is reached, Company will assess a reasonable adjustment to the Price. If Seller disputes the assessment, it may refer the dispute to dispute resolution. C. Price Adjustment. Seller agrees that Company may, during the period Seller is unable to perform its obligations under this Agreement, reduce the Price to the extent of the reduction in the ability of Seller to perform its obligations under this Agreement notwithstanding any other provision in this Agreement or the PO to the contrary.

D. Termination for Continuing Force Majeure. If a Force Majeure Event is continuing or its consequence remains such that the affected Party has been or is unable to comply with its obligations under this Agreement for a period of more than four (4) weeks, then Company may terminate this Agreement by giving twenty (20) Days' written notice to Seller.

Seller's obligations under Clause 9.A are reduced to the extent that any Claim or Loss is caused by: (a) the wrongful, negligent or unlawful acts or omissions or willful misconduct of Company or any other member of Company Group; or (b) a breach by Company of its express obligations under this Agreement.

C. Indirect Losses. Neither Party is liable to the other for any indirect, special, incidental or consequential losses, including loss of profits, loss of use, loss of production, loss of business, or loss of business opportunity; however, nothing in this clause will be construed to limit Company's right to Liquidated Damages as indirect, special, incidental or consequential losses, including loss of profits, loss of use, loss of production, loss of business or loss of business opportunity.
