Shipping Guidelines Per Shipment

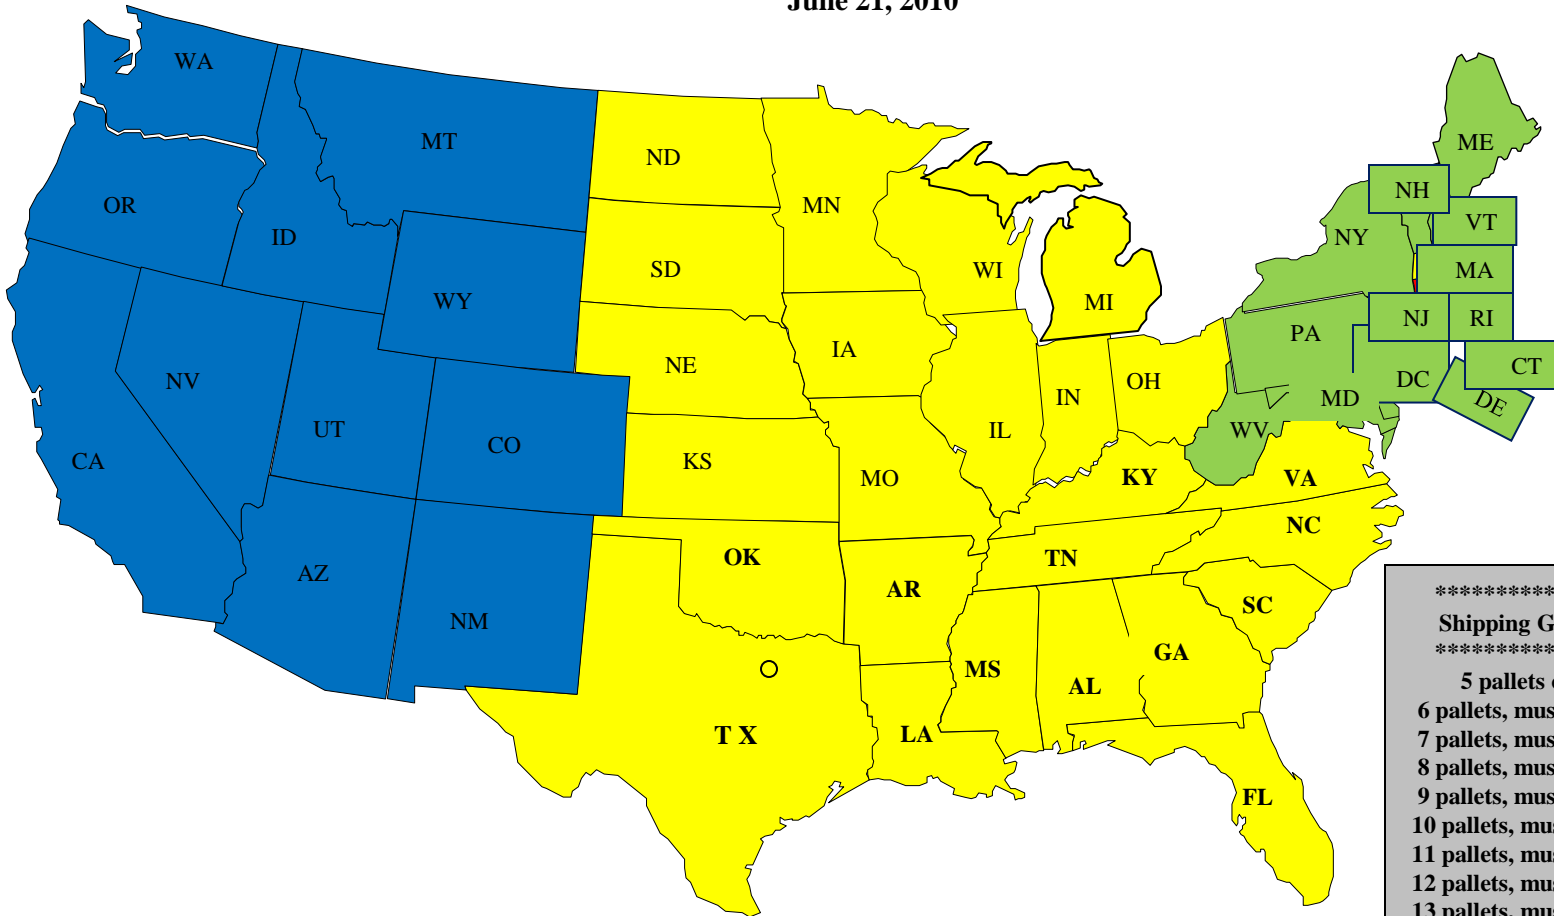

- 5 pallets or less, any weight ok
- 6 pallets, must weigh 4,608 lbs or more
- 7 pallets, must weigh 5,376 lbs or more
- 8 pallets, must weigh 6,144 lbs or more
- 9 pallets, must weigh 6,912 lbs or more
- 10 pallets, must weigh 7,680 lbs or more
- 11 pallets, must weigh 8,448 lbs or more
- 12 pallets, must weigh 9,216 lbs or more
- 13 pallets, must weigh 9,984 lbs or more

NOTE: If pallets don't exceed 48" in height
 Up to 26 pallets could be shipped as LTL
 as long as the average weight per pallet
 is greater than 384 lbs and they are double
 stackable in the carrier's trailer, but it may
 be more cost beneficial to shipment via a
 Truckload Carrier. Rate shop and compare.
